

**Harpreet Likhari**  
**HOD Foreign Languages**

I am a language trainer and a passionate educator with over 26 years of experience in teaching senior secondary students. Dedicated, resourceful, and goal-driven professional educator with a solid commitment to the social and academic growth and development of every child. An accommodating and versatile individual with the talent to develop inspiring hands-on lessons that will capture a child's imagination and breed success. I am an encouraging educator with the ability to make language a skill rather than a subject through various digital tools. Provide analogies, and group activities and prepare teaching plans that facilitate classroom participation.

While pursuing my graduation, I discovered my intense passion for learning languages and literature. This new interest led me to complete my advanced diploma in French and German, followed by Masters in French from PU, Chandigarh. I have had the opportunity to extend my French language skills in the most prestigious school **G.D Goenka Public School, Vasant Kunj, ND**. I have been holding the position of the **HOD of Foreign Languages** for the last 8 years.

I was honored to work with **Rachna Sagar** from the year 2015 to the present. I was so impressed with their professionalism and moreover, it felt amazing that they valued the ideas that I shared. Even during the pandemic, I received regular updates on my submitted work. The communication was very simple and the editors involved in the processing of our manuscript were prompt and helpful in any/all queries throughout the publication process.

I have written and edited workbooks and books for the middle section (classes 5-8), namely **“Enchanté”** and **“Accueil”** a series of books ranging from 0-4 for all classes for the middle section.
